Well done to everyone who took part in Year 3

Well done to all who participated, we are so proud of all of you and hoped you have had fun challenging your friends.

Your daily challenges for today are:

1. Design your own superhero. Who are they? What are their special skills? You may be inspired by some key workers. Draw a picture and describe why they are super.
2. Keep a food diary of what you've eaten today. You may want to include recipes of something exciting, get involved with cooking meals or look up the nutritional value of each of the foods.

Well done for everyone's hard work all week. It is great to see photos of all your work, seeing your progress on MyMaths and hearing about your days. The teachers enjoy being updated. If there are any questions please feel free to email us and we will endeavour to help.

Enjoy your weekend and hopefully the sun will come back soon!
