

Good morning Year 6,

Well done for making it to another Friday and for completing your tasks this week. Remember we all have ups and downs and if you wake up one morning and you're not in the right mind-set to complete the tasks don't. The last thing we want is stressed out/unhappy children at home. We hope you have a relaxing and enjoyable weekend with your families.

Here is what we would like you to complete today:

- **Maths** – In the original pack you received there is a 'Twinkle Key Stage 2 Reasoning Test 1b' Please work your way through this test. If there are any questions that you find difficult or cannot answer then you can skip them but remember to always have a go first before you do that.

My Maths - Please remember to log in and complete the tasks set. The tasks on My Maths will expire on Friday 1st May. We will set new tasks on Monday 4th May. If you have completed the tasks there are maths games on My Maths that are great and that you can play.

- **Reading** – Complete 'vocabulary task 2' in the classroom secrets home learning pack. *You need to complete the crossword to reveal the hidden word. This can be completed on the sheet.*
- **Writing Task** – Can you create an acrostic poem linked to these unprecedented times? You can choose the word for your poem some suggestions are: quarantine, Lockdown, Covid-19.

Example:
