

Monday 11th May 2020,

Good Morning Year 1 parents and children,
I hope you all had a great VE day. It was lovely to see some pictures of your celebration. Well done for all your amazing work over the last few weeks, we have been very impressed with it and have loved seeing everything you have been learning at home!

Today's challenge is:

- Today's number of the day is 75. Tell me everything you can about the number 75! Write these in your book.

- Listen and watch the stories at: <https://www.storylineonline.net/>

Keep sending in your silly face pictures. I have received some and the more the better.

Have a great safe day!

Miss Divecha
