

Good morning Year 6,

We hope you all had a lovely weekend. We cannot believe that this week would have been the official SATs week for year 6. Here is a little poem about it that we would like to share with you all to remind you that we are proud of all your achievements and hard work this year.

*Today is the day it all should have started,  
The breakfasts, the tests – your knowledge imparted.  
Instead we are at home, safe and online  
Waiting for the whole world to settle, realign.  
You worked hard all year for this time to come,  
But SATs week isn't happening, it's ok to feel glum.  
Your hard work wasn't wasted for soon you will see,  
You are all secondary ready – we're sure you agree.  
We want to know we are so proud of you,  
Our Oxhey Wood, Year 6 2020 crew!*

Here is what we would like you to complete today:

- **Maths** – Please complete Testbase Arithmetic test 10 (from the original pack) and then mark using the answers.  
**My Maths** – I have set some more tasks on My Maths for you to work through. Try not to complete them all in one go – maybe pick one a day. The tasks set today expire on 18<sup>th</sup> May so you have a week to complete them. **We still currently we only have less than half the children of each class accessing My Maths. If you need any support with this please do not hesitate to get in contact with one of us.**
- **Reading** – Complete reading comprehension Set B: Test 3 from your CPG SAT buster book.
- **Writing Task** – Have a look at Task 13. *One day, you find this door at the corner of your room. What do you do? Who uses that door? Where does it take you?*
- **Online programmes** – You have access to Spag.com, TT Rockstars, Spelling Shed and My Maths, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.

Remember to plan in some breaks and to be active throughout the day. Just a reminder that these are suggested activities and you can decide how many to complete throughout the day.

Miss Jennings and Miss Hewitt
