

Thursday 14th May

Hello year 2 parents and children,

Wow this week has gone super quick! Hope you are all well and are enjoying the challenges/work from your learning packs.

Remember to complete these in your own time with lots of breaks in between and don't forget I am an email away to show me your great work!

Today's challenges –

- Have a chat with someone in your family about how you are feeling, how they are feeling, what you could do to help each other, what you are enjoying at the moment, what would you like to do that you haven't yet etc.

- Choose a fairy tale character/book character/film character and write all you know about them –

1. What do you they look like?
2. Where do they live?
3. What is their role in the story?
4. Do you like them or not?
5. What is special about them?
6. What story are they in?
7. What happens to them in the end?

Use different conjunctions to join your sentences - and, but, or, because, when, if, that.

Have a great day
Miss Hall
