

Good Morning Year 3 and 4.

Happy Thursday! As the sun is coming out for the weekend remember it is equally important to do our learning as well as our mindfulness and staying active. Remember if you are planning anything special to celebrate VE day tomorrow please send it in to us.

Our daily challenges today are:

- Learn a new word and use it in 3 sentences.
- Imagine an animal has escaped from the local zoo. Describe the animal and give details about where it might have gone and how it escaped. You could create a wanted poster, write a report or film a news video.
- Ask someone in your house if they need any help. You could help wash the dishes, tidy around the house or help with someone else's learning. How did helping someone else make you feel? How does it make other people feel?

Have a lovely day, Keep in touch.

Mrs Keddy, Mrs Kent and Ms May
