

Good morning Year 6,

It's Thursday and we are nearly at the end of another week. Tomorrow is a bank holiday to celebrate VE day. If you are celebrating, what are your plans for marking VEDay75 in a safe, socially distanced way? Mrs Caplan uploaded a fantastic assembly about it on the school website and on the Oxhey Wood facebook page. It's a great watch!

Here is what we would like you to complete today:

- **Maths** – Please Set B: Test 2 in the CPG SATs Buster book. Remember to mark your test after you have finished.

My Maths – I have set some more tasks on My Maths for you to work through. Try not to complete them all in one go – maybe pick one a day. The tasks set today expire on 11th May so you have a week to complete them. Well done to those of you that have started to log on to My Maths and use the programme. If you need any support with this please do not hesitate to get in contact with one of us.

- **Reading** – From the original pack you should have a reading comprehension 'My Mind.' Read through the extract and then answer the questions in one of your exercise books. I have attached the reading comprehension with this email just in case you can't find it as it went home in the original packs.
- **Writing Task** – Create a front and back cover (including a blurb) for the story that you have written this week. Would be lovely to see some of these if you can manage to email them in to me or Miss Hewitt.
- **Online programmes** – You have access to Spag.com, TT Rockstars, Spelling Shed and My Maths, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.
- **P.E** – Create your own exercise programme that the other members of the family could use as their daily exercise over the next few days.

For example:

- 30 seconds of Jumping jacks then rest for 10 seconds (repeat 3 times)
- 30 seconds of burpees then rest for 10 seconds (repeat 3 times)
- 30 seconds of squats and then rest for 10 seconds (repeat 3 times)

You could also teach your adults how to take their pulse at rest (like we did in PE) and explain what this says about their fitness levels.

Remember to plan in some breaks and to be active throughout the day. Just a reminder that these are suggested activities and you can decide how many to complete throughout the day.

Miss Jennings and Miss Hewitt
