

Tuesday 12th May 2020

Good Morning Year 1 parents and children,

It has been lovely seeing all the work you have sent and I hope you are all doing well.

Today's challenge is:

- Make a list of 10 of your favourite things. It could be anything at all, books, stories, films, songs, dinosaurs, toys, people, and animals. You chose.

Once you have done that and you are feeling good: Pick 3 of them and say why they are your favourite using the word because.

- Today is international nurses' day. At the moment, our nurses are working really hard to help others. Let's today spend time helping a someone - it could be helping cook dinner, washing up, cleaning cars, tidying your bedroom - something that will put a smile on someone else's face - smiling is really important during this time!

We miss you all very much. Remember if you need anything please do not hesitate to send us an email.

Have a terrific Tuesday and keep safe

Miss Divecha
