

Tuesday 12th May

Hello year 2 parents and children,

Today's challenges –

- For today's activity, I want you to focus on recycling but with a little twist. I want you to get creative with your rubbish!

What could you make? Why not make an outfit made of recycled materials, or a desk tidy out of toilet roll tubes? How about a musical shaker or a plant pot? Or little emojis made out of milk bottle lids? Or a house, or an elephant or an entire village of cork people?

The possibilities are literally endless, you just need to use your wonderful imaginations! We'd absolutely love to see what you create so please post a picture of your recycled creation!

- Activity 2 - Write down 3 things you are grateful for.

Have a great day and I hope I get to see you all soon.
