

Good morning Year 3&4, Parents and Carers,

Another sunny day, another day to enjoy the beautiful weather!

Remember to complete MyMaths, Spelling Shed, TTRockstars and your home learning packs.

Your daily challenge today is:

1. Can you solve this riddle - This five letter word becomes smaller when you add two letters to it. What word is it?
2. Listen to some music and think about what you can picture in your mind. Can you draw it?

Have a super day!

Kind regards

Mrs Kent, Miss May, Mrs Keddy
