

Good morning Year 6,

I hope you all had a lovely day yesterday!

Here is what we would like you to complete today:

- **Maths** – Please complete CPG Set B: Test 3. Once finished use the answer to mark.  
**My Maths** – I have set some more tasks on My Maths for you to work through. Try not to complete them all in one go – maybe pick one a day. The tasks set today expire on 18<sup>th</sup> May so you have a week to complete them. **We still currently we only have less than half the children of each class accessing My Maths. If you need any support with this please do not hesitate to get in contact with one of us.**
- **Reading** – Complete reading comprehension ‘Listen to the Moon’ I have attached it with this email in case you can’t find it.
- **Writing Task** – Yesterday you had to write about the door in the picture. Who uses that door? Today I would like you to draw a picture of the character who uses the door and label it. Write a little paragraph to describe your character.
- **Online programmes** – You have access to Spag.com, TT Rockstars, Spelling Shed and My Maths, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.
- **Science** – Please complete Pages 23 and 24 (Adaptation) of the CPG Maths Science and then mark it to see how you got on.

Remember to plan in some breaks and to be active throughout the day. Just a reminder that these are suggested activities and you can decide how many to complete throughout the day.
