

Tuesday 12th May

Hello year 2 parents and children,

What lovely weather we have again!

A massive well done again to all the children logging into MyMaths and completing some of the activities set. Also to the children logging onto TTRockstars too, it is so great to see.

Today's challenges –

- Keep a log of the sports and physical activities you do for a week. Which days are your most active?
- Design your own mixed up animal, like an ele-cat-fly. Draw a picture and explain what special features it has.
- Create a collage or model of a coastal or ocean habitat.

Have a great day and I hope I get to see you all soon.
Miss Hall
