

Tuesday 5th May 2020,

Good Morning Year 1 parents and children,
I hope you are all well and enjoyed the little bit of sun we had yesterday!

You should now all be able to access your TTrackstars, SpellingShed and MyMaths which can be completed for 5-10 minutes each day. Please email me if you have forgotten your user name or password. You also have your packs to complete and below are a list of our daily challenges. Remember to work within a schedule that suits you, do not feel like you need to do too much in one day, take your time and do what is best for your family.

Don't forget to send me your silly face pictures for our Year 1 collage, I have one so far.

Today's challenge is:

- For VE day on 8th May, learn step-by step 'how to Swing dance' (The Lindy Hop) <https://safeyoutube.net/w/cXI7>
- Design and make your own Spitfire. You could make it out of paper, wood, recycled materials, etc. Test out your design. How far does it glide? Does the material used for a plane affect the distance it travels? Try using newspaper, card, tinfoil, etc and carry out a test. Remember, only change ONE thing to make it a fair test

Have a terrific Tuesday and keep safe
Miss Divecha
