

Tuesday 5th May

Hello year 2 parents and children,

I hope you are all well and enjoyed the little bit of sun we had yesterday!

Remember to work within a schedule that suits you, do not feel like you need to do too much in one day, take your time and do what is best for you. Don't forget to keep sending me pictures/emails/videos of you and your work, it really does make my day.

Today's challenges –

- Imagine you are a great explorer and you are on a mission to explore either the North Pole OR the Sahara Desert.

Make a poster explaining what you will need to bring with you in your backpack on this journey of a lifetime! Think about what kind of weather you will face on your journey; how can you protect yourself from the elements? For example, in the arctic snow how will you keep warm? Remember to draw your chosen location and items you'll bring.

- **R**really wet
- A**nnoying
- I**s it ever going to stop?
- N**ew shoes are soaked!

You could make an acrostic poems about different types of weather of your choice. Write the name of the weather in a column and then use words or short phrases that describe that weather starting with that letter. Why not try a few?

- Here is another really good website to listen to stories being read and you can see the book in these videos. <https://www.storylineonline.net/> Let me know which ones you read/find the most exciting and we can pass this on to other children.

Have a great day and stay safe.

Miss Hall
