

**Wednesday 6th May**

Hello year 2 parents and children,

**Today's challenges –**

- Can you write some sentences using these homophones? –

There – tells you where something is. E.g. There is a dog in the classroom.

Their – means belonging to them. E.g. Their chairs were in the hall.

They're – always means 'they are'. E.g. They're going on a trip today.

- I have attached some instruments to this email. See if you can listen to them being played on Youtube. Then sort the instruments into how they make a sound:

1. Make sound by moving air.
2. Make sounds by moving strings.
3. Make sounds through something being hit.

Have a great day!
