

Good morning Year 3&4, Parents and Carers,

We hope you are all well and keeping safe. Another wonderful day and another day to excel! :)

Your daily challenges today are:

1. •

Learn about extraordinary animals and how they see the world. Answer the maths questions and have a go at making up your own. <https://dynamath.scholastic.com/issues/2019-20/110119/extraordinary-eyes.html#720L>

2. •

Invent your own code and write secret messages to each other. Take the alphabet and transform it using signs or numbers. A could be 1 and B could be 2 for example. Make sure you and someone else has the code and write them a coded message and decode theirs. You can send them to us too so we can have a try!

Have a lovely day

Mrs Kent, Miss May and Mrs Keddy
