

Wednesday 13th May 2020

Good morning Year 5 ,

Sorry for the late email this morning- slight technical issues with my computer that you guys would have taken minutes to sort out rather than my hours!

Did you remember to say a big thank you to all our amazing nurses yesterday on National nurses day?

Today your **English task** is to use expanded noun phrases and Joseph Coelho's advice to plan and write own descriptive poem.

In **mymaths**

today you are looking at perimeter or area- remember to click on the lesson on the right before you complete the task- this will give you a chance to practice first and your answers will be more accurate. Try to improve on yesterday's score.

After that
you could try a **science lesson** all about how animals
adapt. <https://www.bbc.co.uk/bitesize/articles/zjt9y9q>

If you haven't
yet had a look it's worth checking out the lessons at the Oak national academy
at <https://www.thenational.academy/online-classroom/year-5#schedule>

Don't

forget to **read** a chapter of your book or if you have finished try borrowing a library book or audio book online at <https://herts.spydus.co.uk/cgi-bin/spydus.exe/MSGTRN/OPAC/HOME>

Daily Challenge: When I go outside at the moment I am always struck by how loud the birdsong is. Were there this many birds before lockdown? Was their song so noticeable? **Make a bird report :** Sit outside or by a window and count the birds you see in 10 minutes. Try counting the birds at different times of the day. Is there a difference? Which species is more common? Report your findings using charts or graphs or pictures.

Daily

Reminders! Remember you can also practice times tables at TT rockstars, spag and spelling at spag.com and spelling shed, read for 20 minutes, exercise with Joe Wicks at 9.00am, listen to the interactive radio show at <https://radioblogging.net/> at 9.30am every day. Have a break at 11.00am and try listening to a David Walliams story at <https://www.worldofdavidwalliams.com/elevenses/> or listen to a story like Harry potter and the philosopher's stone at audible stories <https://stories.audible.com/pdp/B017V54W6O>

Please let us know if you need anything or just want to say hello! Send us your amazing learning so we can celebrate it and remember to ask if you get stuck on anything.

Have a
great day
