

Friday 12th June

Hello year 2 parents and children,

Firstly, thank you to all the parents that are still sending me emails with updates from their children, I absolutely love them!

Today's challenges –

- Guess how many cupboards and drawers you have in one room in your house. Now go and count them and see how close you got! Repeat for other rooms in your house. Which room has the most?

- Count how many steps it takes you to get from one side of the room to the other. Which room takes the most steps?

- Traffic lights – look around your house for red, yellow and green items. Every time you see an item of this colour write it down. Which colour is the most popular?

Have a great weekend and hope the weather improves!
