

Happy Friday!

I hope everyone has had a good week. It has been lovely speaking to many of you and finding out what you have been getting up to at home. As always, please continue to send in pictures of what you have been doing – we love seeing all of the great learning you have been doing - remember to log in to google classrooms and share your information and pictures there as well!

The winners for the TTRockstars tournament are Year 4!!! Well done to both year groups you played lots of games. Well done to Jheel, Yazmin and Ana for playing TTRockstars the most this week in their classes.

Today's Challenges:

1. Year 3 MyMaths – Today we are looking at Tally Charts. Use the link to help you <https://www.loom.com/share/fe34a47cca2c408684b68e598ecbc4e2>

2. Today we are looking at a fable. <https://www.loom.com/share/cf2987d2d2ba453c856beb17bf2aff6a>
Use the link, watch the video and answer the questions and activities below

- a. What simile is used on the first page?
- b. What is a fable?
- c. How would you describe the wolf?
- d. How did the wolf try and trick the shepherd?
- e. Why did the disguise not work?
- f. Writing Challenge – Research another fable or write your own and share the message.

3. Museum of Nature – We have spent the week looking at the fantastic animals that we see every day and may take for granted. We have learnt a little about them and the jobs they do. Today we are going to look at how we can support them in their habitat. You are going to design your own mini-beast house.

- You could design on paper the perfect home for one of your creatures explaining why it is suitable.
- Write a set of instructions, including what you need and steps that someone could follow to create their own mini-beast home.
- Get an adult to help and use recycling or things in the garden to create a mini-beast home.

4. Create an obstacle course. You could use paper, rope or objects around the house. Take it in turns to time yourself.

Have a lovely weekend and Stay Safe.
