

Friday 26th June

Good morning year 5,

Great to see more of you able to access google classroom- hopefully by next week we will have everyone on it and able to join in. If you haven't already logged in please have a go today and let me know if you have any problems. If your date of birth begins with a single digit you will need to put a zero before it to make your password a 6 figure number. You can say hello to everybody on the stream but please remember that this is seen by all adults in school.

Mymaths today is looking at fractions and percentages- watch the support video and try to do the practice lesson

first <https://www.loom.com/share/153f357953af4166b39aac8e70854037> If you are confident with this once you have finished the mymaths activity you could challenge yourself with one of the maths sheets in your new pack.

Today's **English task** is to complete the comprehension questions on page 10 of your booklet. There are only 8 questions – I will post the answers on google classroom at lunchtime so you can mark them yourself!

Guided reading: Listen to Chapter 21 of the Nowhere Emporium- I have posted it on google classroom- let me know if you can't access it.

Challenge activity: Today's challenge is check the answers to your English task on google classroom and send a comment in- It could be to say hello and share something interesting you have enjoyed doing during lockdown (e.g I have baked a cake or helped to build something). This might give others inspiration of something different to try.

Topic: Complete any other parts of your den topic- you could try design a den or shelter for different environments such as the beach or desert, a forest or jungle and an icy climate such as a polar region. Draw and label them. Think carefully about the best structures and materials to use or you could write an adventure story which involves a den- the choice is yours!

Remember to continue your other daily activities Read for 15 minutes, Logon to TT Rockstars, spelling shed and spag.com. Extra lessons are available at BBC bitesize and Oak national academy. Radioblogging.net at 9.30am has fun literacy based activities, draw with rob on Youtube has new drawing activities and some physical activity with Joe wicks or there are some great yoga based activities at cosmickids.com

or <https://www.youtube.com/user/CosmicKidsYoga> or <https://awakeandmindful.com/best-kids-yoga-videos-on-youtube/>

Have a great day!

Year 5 team
