

Good morning year 5,

Nearly the end of another week! Keep sending in the photos of your work – it is great seeing what you have achieved. We can see that some of you have not been able to log on to Mymaths everyday- please try to keep up with this and remember to ask if you are stuck.

English task

: Make sure you are up to date with your writing booklet (this is in your pack behind the maths booklet) Yesterday was a Grammar task to complete page 15-16 all about brackets. Leave your booklet at this point today (we will work on the imitation sentences together next week on Monday). Today's task is to listen to the Nowhere Emporium Chapter 4 and answer these questions. Think about the characters in this chapter - who do you think Vindictus Sharpe is? Who is the boy? Does the name 'Vindictus' sound like any other words you might have heard? Does it give you any clues as to his character?

Mymaths

task: division and multiplication mixed questions- this is quite long today so you may not want to do it all in one go.

Topic task: work on your create and curate medicine topic – if you have finished your history of medicine fact sheet you could choose one of the other topic suggestions to work on,

Challenge task: This is a great challenge to help you relax in time for the weekend. It's all about meditation through drawing with a group of school children to show you how to do it https://www.youtube.com/watch?v=8e7wjv99gdA&fbclid=IwAR2RZtoyi8I4MVxisnBtkLLC8FbHZRUF0tWr_G4UNSTfw0Uzs7CJ7rMJLol

As always please ask if you are stuck and don't forget to share your learning. I will be telephoning 5 Shakespeare on Monday and Mrs Chauhan will also be in touch with her class next week but in the meantime if you have any questions, worries or just want to say hello just email us!

Have a lovely weekend, Year 5 Team
