

Monday 15th June

Hello year 2 parents and children,

Today's challenges –

- Rob and Jennie were making necklaces to sell at the school fair. Each necklace was to have eight beads, four of one colour and four of another. E.g. You can draw a necklace with 4 pink beads and 4 blue beads.

How many different necklaces could they make? What patterns can you make?

- We are spending one more day looking at mini beasts. Mini beast comparisons – Choose 6 mini beasts. Draw each minibeast then write about – how many body parts they have, how many legs and how many wings (if they have wings).

Have a great day and stay safe! Thinking of you and missing you all.

Miss Hall
