

Dear Year 1,

Hope you are all well!! It is the start of our new half term. Some of us are now in school but some are at home. As I am in school now teaching, I will not be able to respond to emails from 9-3. However I will respond to emails after this, so please still feel free to email me when you need!

Today's challenges –

Today's challenges are:

- Write 3 you like about summer time and three things you don't.
- Practice counting in your 5s. This could be watching and singing along to a video, doing star jumps while counting or coming up with your own way to do so.

Have a great and safe day.

Miss Divecha
