Good morning year 5,

I hope you have had a lovely weekend. Looking at the weather forecast we have lots of sunny weather for you to look forward to - some of you are back in school this week (welcome back!!) and some are still home learning but we are all working on the same activities as far as we can.

In **English** this week we are starting a new writing booklet all about Wizards and today you are making wizard top trump cards! The booklet is attached to this email but you also have a copy of it in your latest homework pack. Watch the video to get you started https://www.loom.com/share/0584d69d362b466eae5c7e4fb56d759e

Today's **mymaths task** is all about multiplying fractions. https://www.loom.com/share/5a0aff1ea2484ab5939633cba955c341

If you are confident with this once you have finished the mymaths activity, challenge yourself with one of the maths sheets in your new pack.

Guided reading: Listen to Chapter 16 of the Nowhere Emporium and answer the questions attached.

Challenge activity: Find out facts about another country- you choose which country. You can make a fact file, colour their flag, find out about the animals of the country or their favourite foods. Anything you can think of! Send your pictures of your work in to us.

Topic: Design a front cover for your 'Den' topic. Look at the topic list for' Dens' and try to incorporate some of the activity ideas from there – which ones have you completed and which ones do you still plan to do?

Remember to continue your other daily activities

Read for 15 minutes, Logon to TT Rockstars, spelling shed and spag.com. Extra lessons are available at BBC bitesize and Oak national academy. Radioblogging.net at 9.30am has fun literacy based activities, Draw with rob on Youtube has new drawing activities and some physical activity with Joe wicks or there are some great yoga based activities at cosmickids.com orhttps://www.youtube.com/user/CosmicKidsYoga or https://awakeandmindful.com/best-kids-yoga-videos-on-youtube/

Have a super Monday!

Year 5 team
