Good Morning Reception children, parents and careers.

Here is today and tomorrows challenge.

This week we will continue with the theme bugs.

I hope you have fun today collecting all the bits you will need to create a mini bug hotel.

Remember these daily challenges are just ideas to support you, you do not have to do them, if you do please let us know how the challenges went. Email, send us pictures, videos, messages and/or post on our Facebook page.

### Monday

Today I would like you to collect some items for your bug hotel. Look back on your design and the list you made, you may need to take a walk up the woods to collect some items.

Your bug hotel does not need to be the same as your design as some of you may not have a garden to use. I have attached below some smaller designs you can make indoors out of things around the house.

### Tuesday

Today is the day you are going to start to build your bug hotel.

We will also be doing this at school over the next week and I am sure the children that are in school would love to see your pictures so please email them over so I can show them.
