

Thursday 25th June

Hello year 2 parents and children,
I hope you all enjoyed the amazing weather yesterday!

Today's challenges –

- Design a new kit for your favourite sports team e.g. a new football kit.

- How many body parts? How many people are in your house? How many eyes is that? How many legs in total? How many noses? How many toes?

Also if you type in 'twinkl books' into YouTube they have some incredible books the children can listen to or read themselves.

Sorry if I have said this already haha, I feel like I have but cannot remember!

Have a fabulous day and keep smiling!
Miss Hall
