

Good morning Year 6,

I hope you are all well. Today is Mental Health day across the Agora Trust. Mrs Caplan has posted an assembly delivered by Mrs Lawson on the Oxhey Wood facebook page and on the school website. If you get a chance, please watch it.

Here is what we would like you to complete today:

- **Maths** – In the third home learning pack (after the writing section – Doors) you will see Year 6 Activity Mats. Please complete Maths Activity Mat 1. The answers are on the back so that you can mark your work.
- **My Maths** – I have set some more tasks on My Maths for you. Try not to complete them all in one go – maybe pick one a day. The tasks set today expire on **22nd June** so you have a week to complete them.
- **Reading** – Please complete reading comprehension ‘Charles Darwin’. This can be found in the second home learning pack sent home. Once completed please mark your comprehension. How did you get on?
- **Writing Task** – In your new home learning pack there is a section called ‘Doors- a world of possibilities’. Following on from yesterday, today you are going to continue to write your story.
We would like you to focus on resoultion (*MC has to escape and return through the portal*) and the ending (*MC cannot find portal again – sometimes has brought back a memento of new world*) This will probably be about 2 paragraphs long. Once you have finished writing both of these sections see if you can up-level it using your purple pen. You may also want to complete an illustration to go with this part of the story.
- **Online programmes** – You have access to Spag.com, TT Rockstars, Spelling Shed and My Maths, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.

Miss Jennings and Miss Hewitt
