

Tuesday 16th June 2020

Good morning Year 1,

I hope you all had a wonderful day yesterday, what have you all been doing? Have you been able to get outside? Thank you so much for your continuous support and emails. We really do love seeing what work you have been doing at home. From today we will be having a TTRockstars competition between the girls and boys in Year 1! We will find out on Friday who has won. But remember we are also competing against the local school so every game helps.

Today's work to add to your weather museum is:

1. Using weather symbols create your own forecast for the week. What will happen on each day?
2. Why not try to make a tornado in a bottle. You can watch the video and follow the instructions. <https://www.bbc.co.uk/cbbc/watch/how-to-make-a-tornado-in-a-bottle-experiment>
3. Day 2 phonics looking at the ee sound. <https://www.loom.com/share/505853b3ff924f22baa3e0356c632edc>

Remember to continue with TTRockstars, SpellingShed and MyMaths – who will be the Rockstar champion this week?

Keep safe and well

Miss Divecha, Mrs Kent and Mrs Chauhan
