

Good morning year 5,

Another sunny day! Make sure you try to spend some time outside after you have completed your tasks today!

Some great wizard top trumps cards were made yesterday- well done! If you didn't get a chance to make them yesterday that's fine just catch up today- they are at the start of your new wizard writing pack. Today's English task is to read the persuasive Wizard text (all about wizard school) and look at the vocabulary and synonyms pages – you can use the support video to get you

started. <https://www.loom.com/share/733226ff5eed4d2bb9ae2b213ded1e0c>

Today's **mymaths task** is all about comparing fractions using bar models. Watch the support video and do the practice lesson

first. <https://www.loom.com/share/fcbf7f7c633940e2aa9b17fb5b56d23d>

If you are confident with this once you have finished the mymaths activity you could challenge yourself with one of the maths sheets in your new pack.

Guided reading: Listen to Chapter 17 and 18 of the Nowhere Emporium – no questions today just have a think about what has happened so far. Based on this what do you predict will happen next?

Challenge activity: Today's challenge is to be a garden detective (or park detective)- go on a mini beast hunt and draw and label what you find. Where did you find them? What sort of habitat suits this creature?

Topic: Design a front cover for your 'Den' topic. Look at the topic list for 'Dens' and try to incorporate some of the activity ideas from there – which ones have you completed and which ones do you still plan to do? Carry on completing any tasks from this sheet.

Remember to continue your other daily activities
