

Hello Nursery,

How are you? I hope you are all well and enjoyed yesterday's challenges.

As I'm sure you know some children have now started returning to school where we are going to be exploring 3 exciting topics.

Our topics are: Creating a Minibeast Museum; Creating an Art Gallery (based on the themes of 'colour' and 'natural materials') and Gardening.

I hope that those of you who are still learning from home can be involved in our new topic work through some of your daily challenges.

Please keep sending me photos of your work if you can and I will display it in school alongside your friends' work and send you photos of our class displays as we create them.

Minibeast Challenge:

Design a minibeast. (Tomorrow you will be making your minibeast!).

You might want to draw a real minibeast (like a spider or a ladybird) or you might want to invent your own minibeast.

Think carefully about what your minibeast will look like. How many legs will it have? Which colours will you use? Will it have wings? What is it called?

Remember to write your name on your work.

Creative Challenge:

Choose two colours e.g. yellow and blue.

Find as many things of those colours in your home as you can.

Now arrange them carefully to make a pattern.

Take a photo of your creation and send it to me if you can.

Physical Development Challenge:

Count your actions:

Jump 5 times.

Hop 3 times on your right foot.

Hop 3 times on your left foot.

Spin around twice.

Touch the floor and stretch to the sky 10 times.

Bunny hop around the room twice.

March for 15 steps.

Shake your body and sit down.

How do you feel?

Have fun,

Miss Aust and the Nursery Team
