

Tuesday 9th June

Hello year 2 parents and children,

Today's challenges –

- Visit a zoo's website and explore the live webcams to find out what the animals get up to. Create a fact card or poster about one of the animals. Include information, such as where it lives in the wild, its size, what it eats, how it moves and if it is endangered.

- Two digit numbers challenge – use the numbers 0, 1, 2, 3, 4, 5, 6, 7, 8, 9. Make as many 2-digit numbers using these digit cards e.g. 24, 69, 13. What is the biggest 2-digit number you can make? What is the smallest?

Have a great day and stay safe!
Miss Hall
