

Tuesday 9<sup>th</sup> June

Good morning year 5,

It was great to chat to some of you yesterday especially since it has been so long since we all saw each other. The way you have got straight back in to work after the weekend has been amazing- well done! Just to repeat what I said to many of you on the phone, I have made mymaths videos to demonstrate what methods you could use to answer the questions so when you login to mymaths do the practice lesson then watch the support video then complete your task. You can always pause the video and work along side me if you like. That way you will be able to practice and check your answers.

**English task** : Yesterday you should have written your sentences that start with an adverb (interestingly, strangely, unbelievably...) and today you need to complete the imitation sentences using sentence signposts such as in addition and furthermore

**Mymaths task**: Today you need to complete the two way data task. Here is the support video to help

you. <https://www.loom.com/share/772760c0210e4023908cdb179cd5f7ad>

Remember you can have more than one try. Often children who get 100% have had 2 or 3 tries- fantastic perseverance!

**Topic task**: This week you should choose 2-3 tasks to work on. You could try and choose one task from each of the 3 topic sheets if you have time. Some activities will take longer than others so you might find your task lasts you for a few days. Think about the best way to present your work- how can you make it appealing to the person reading or looking at it? We have seen some great examples so far, well done!

**Challenge task**: Yesterday's challenge was to sign up for the summer reading challenge (which I hope you managed to) – today's challenge is to search the reading challenge website and find out what the 5 top reads are – search through the website carefully and you might find a few games and stories along the way! <https://summerreadingchallenge.org.uk/competition>

**Reading: Listen to chapter 6 of the Nowhere Emporium (attached to the email in two parts)**. Your pictures of the main characters in this book were great- keep sending them in, be as creative as you like! Who is your favourite character so far? Remember just email if you have any questions, worries or just want to say hello! Anyone from 5 Shakespeare I didn't speak to yesterday I will be in touch again today.

Have a great day

Year 5 Team
