

Hello Nursery,

How are you? Here are your challenges for today.

Minibeast Challenge:

Yesterday you designed your own minibeast habitat, today your challenge is to make it. Have a look at the picture that you drew yesterday and think about what you could use. How will you join the different pieces together? Which colours will you use? Why? Tomorrow we will make some minibeasts to live in your habitat. Please send me photos of your creation if you can and I will show them to your friends in school.

Phonics Challenge:

Have a look at the attached pictures.
Can you use your robot arms to sound out the words e.g. "v-a-n-van."

Maths Challenge:

Play with numbers:

Go to www.topmarks.co.uk and type in 'Paint the Squares' or copy and paste the link:
<https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

Select numbers 1-30.

Choose one of your number cards. Can you colour that number on the hundred square? Can you colour the number that is one more than it? Can you colour the number that is one less than it? Choose another number and play again.

Have fun,
Miss Aust and the Nursery Team
