

Good morning Year 6,

I hope you are all feeling well and rested.

Here is what we would like you to complete today:

- **Maths** – Please complete Year 6 Extension Arithmetic Test 7. Remember to use the answers to mark your work when you have finished.

**My Maths** – I have set some more tasks on My Maths for you. Try not to complete them all in one go – maybe pick one a day. The tasks set today expire on 15<sup>th</sup> June so you have a week to complete them.

- **Reading** – Please complete reading comprehension ‘Activity 6’ from ‘Doors- a world of possibilities’ in your exercise book.
- **Writing Task** – In your new home learning pack there is a section called ‘Doors- a world of possibilities’ Please complete activity 7 ‘Grammar and Sentence Work’. The first part of this section looks at the pattern of 3 and the second part is all about semi-colons for independent clauses. Complete this work in your exercise book.
- **Art:** In school, the children are looking at the artist Renoir and they are going to try and recreate one of his paintings. I have attached with this email a picture of the painting that they are going to recreate. It would be lovely if the children at home could do the same. They can use whatever materials you have available: pencils, pens, watercolours or cut out pieces of paper (like a collage).  
**If you did not get a chance to have a go at this yesterday please give it a go today and remember to email any photos of your artwork.**
- **Online programmes** – You have access to Spag.com, TT Rockstars, Spelling Shed and My Maths, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.
