

Hello Nursery,

How are you? Here are today's challenges.

Phonics Challenge:

Have a look at the 'I Spy' sheet. Play a game of 'I-Spy' with a grown up:

One of you says "I spy with my little eye, something beginning with . . ." and the other has to guess which picture they are thinking of.

Now sound out the word together using your robot arms e.g. "c-a-t-cat."

Maths Challenge:

Can you remember our 'Days of the Week' song? Sing it with a grown up.

Now ask your grown up to challenge you by asking you e.g. "Which day comes after Monday?"

Sing the song to help you remember the order.

Physical Development Challenge:

Do some dancing and stretch your finger muscles as you pretend to plant your own beans.

Search for 'Preschool learn to dance, can you plant a bean' on Youtube or copy and paste the link:

Have a lovely weekend,
Miss Aust and the Nursery Team
