

Happy Friday!

I hope everyone has had a good week. It has been lovely speaking to many of you and finding out what you have been getting up to at home. As always, please continue to send in pictures of what you have been doing – we love seeing all of the great learning you have been doing.

TTRockstars Results - Well done to everyone that contributed and played this week. The results are.

Hamilton - Well done to the girls. (Well done to Jheel for scoring the most individual points)

Holmes - Well done to the boys (Well done to Hryday for scoring the most individual points)

Simmonds - Well done to the girls (Well done to Ana for scoring the most individual points)

Today's Challenges:

1. Year 3 MyMaths – Statistics. <https://www.loom.com/share/0f15c39dc75c45069ce5f149986ac12e>

Year 4 My Maths – Polygons. <https://www.loom.com/share/582884d40f774c58aa771b6309636100>

2. Today we are learning about Mark Beaumont – a record breaking athlete. <https://www.loom.com/share/c4bc5f235c6f4bbe9f81571dc31486b4>

3. Record Breakers – Today we are looking at amazing technology. There have been many famous inventors who have created things that we take for granted today. Thomas Edison invented the electric lightbulb, Alexander Graham bell invented the telephone and the Wright brothers flew the first motorised aeroplane. The Lockheed Blackbird aircraft made in the 1960's is officially the fastest aeroplane in the world. It recorded a top speed of 2193 mph – meaning it would take less than two hours to get to New York from London.

- We would like you to choose something you are interested in and research the technology around it.
- Design your own super technology device. Create a poster for it explaining what it does and why everyone needs it.

- Design your own record breaking vehicle. What can your vehicle do that no other vehicle can?

4. Attempt your challenges from Monday. Were you able to beat them? How did that make you feel? How could you keep improving?

Have a lovely weekend and Stay Safe.

Mrs Keddy, Mrs Kent and Ms May
