

Monday 29th June

Good morning year 5,

We hope you had a good weekend and are ready to start a new week. I will put links on google classroom to different activities so if you haven't logged in yet please have a go- it should work from a computer, tablet or phone. Let me know if you have any issues. Remember if your date of birth begins with a single digit you will need to put a zero before it to make your password a 6 figure number. You can say hello to everybody on the stream but please remember that this is seen by all adults in school.

Mymaths

today is looking at measurements converting between m, cm and mm. Watch the support video <https://www.loom.com/share/ccf2008c32dc45c7b5ce79d1833e2c75> and complete the practice lesson before you do the task. If you are confident with this once you have finished the mymaths activity you could challenge yourself with one of the maths sheets in your home learning pack.

Today's English

task is to complete page 11-13 in your wizard writing booklet- weasel phrases. I have put a link to a persuasive writing video on google classroom that you can watch first to remind you of some of the persuasive writing techniques then complete the sentences.

Guided

reading: Listen to Chapter 22 of the Nowhere Emporium- I have posted it on google classroom along with some questions - let me know if you can't access it.

Challenge activity: Today's

challenge is to see if you can create an outside 'sculpture' in the garden or an outside area. Look at the clip on google classroom for inspiration. You can collect any natural objects from the ground and arrange them in a pattern. Try and post a picture of it on google classroom.

Topic: Hopefully

you finished your den topic last week. This week we will be focusing on our sculpture topic. Today you could create a front cover for your project- think about the activities you have completed so far and which ones you would like to feature on your front cover.

Remember to continue your other daily

activities Read for 15 minutes, Logon to TT Rockstars, spelling shed and spag.com. Extra lessons are available at BBC bitesize and Oak national academy. Radioblogging.net at 9.30am has fun literacy based activities, draw with rob on Youtube has new drawing activities and some physical activity with Joe wicks or there are some great yoga based activities at cosmickids.com

or <https://www.youtube.com/user/CosmicKidsYoga> or <https://awakeandmindful.com/best-kids-yoga-videos-on-youtube/>

Have a great day!

Year 5 team
