

Good Morning,

Happy Tuesday. Remember to keep emailing us all the fun things you have been learning about and for any other questions or help. We would love to include all of your amazing work in our newsletter so please keep sending us your amazing pictures and work. Don't forget to keep using google classrooms. From tomorrow all of the challenges will be assigned on there and the children have been set an assignment from today so make sure to log on and check.

Today's Challenges:

1. Year 3 MyMaths – Today we are looking at

Pictograms. <https://www.loom.com/share/d735ab2896d8498c9f4f0e9f015d7e78>

Year 4 My Maths – Today we are looking at

Area. <https://www.loom.com/share/8907c03bd68f4518bed9e0047670dae4>

2. Today we are looking at Stephen

Hawking. <https://www.loom.com/share/07539c4640814b0282b8b60a7fa2888d>

3. Record Breakers – Today we are looking at amazing female record breakers. Follow the link and you will find an incredible list of women who have broken records in sport, science, politics, technology and writing. These people have shown hard work, resilience and dedication and achieved incredible things. <https://www.bbc.co.uk/newsround/47039545>

- Research your own amazing record breaker, it could be a man or woman in anything that interests you and create a fact file.

- Choose one of the women from the link and create a fact file or interview with them asking them how they feel and how hard it was to achieve their dreams.

- Think about what you want to achieve. What skills and mind-set will you need to have. Create a poster or mind-map to motivate you.

4. Create your own hopscotch. You could use chalk, paper or objects you can find in the garden.

Remember to keep emailing in your amazing work, if you have any questions or if you just want to say hi. We love to hear from you and would love to share it in our newsletter

Mrs Keddy, Mrs Kent and Ms May
