

Happy Wednesday,

We are halfway through the week, let us know what you are enjoying most or if you are finding something tricky, please let us know as we are here to help. Your challenges will all be posted on google classrooms. Yesterday there was a problem with the document and children were unable to edit and save. This has hopefully been fixed and should now work.

Today's Challenges:

1. MyMaths

2. Today we are reading Windsurfing Winner – Part

1. <https://www.loom.com/share/a37b0d42b7b44713a8c6b1ca83da10f0>

3. Record Breakers - Today we are going to look at amazing animals. This does not necessarily mean they have to be record breakers – some animals are amazing all by themselves, like the mantis shrimp that has the worlds fastest punch or some sharks that can glow in the dark. These are creatures that are naturally unusual and amazing. There are also amazing animals that learn how to do incredible things – such as Otto the skateboarding dog – he was able to skateboard through the longest human tunnel. <https://www.bbc.co.uk/newsround/34806519> Research other record breaking animals or just unusual animals that are found in the wild.

- Write a newspaper article on the animal.

- Create a fact file

- Create a poster advertising this amazing animal.

4. Find rocks or pebbles outside and decorate to make your own stone artwork.

Remember to keep emailing in your amazing work, if you have any questions or if you just want to say hi. We love to hear from you and would love to share it in our newsletter

Mrs Keddy, Mrs Kent and Ms May
