

Governor Introductions

Kim Claridge-Taylor – Chair of Governors I have worked for Hertfordshire County Council for over 30 years, working within education and Children’s Services. I have 2 beautiful grandchildren which I am thoroughly enjoying as well as an 11 year old Border Terrier Dog. I enjoy music and DIY. I have worked within South Oxhey and have supported both Oxhey Wood and Warren Dell as an Attendance Improvement Officer for over 7 years. I became a governor at Warren Dell at Christmas 2012. My goal is to support the continuing excellent development already in place so that children in both schools have the best possible outcomes.

Jan Crook – Vice Chair I have lived in South Oxhey for 12 years and became involved with local services through my work. I have a keen interest in the wellbeing and progress of children and young people.

Elizabeth Willetts I started my working life as a civil servant and then moved to the private sector working for a large professional services firm. I am now retired. I was appointed in September 2016 and I am chair of the Resources Committee where my skills and work experience are useful. As a governor, I want to ensure that all children can reach their full potential in a caring and supportive school environment.

Iain Regan-Smith I have lived near Rickmansworth for two years now since moving to work at Merchant Taylors School as the head of Religion and Philosophy. Being involved in the education of children has always been my passion since I started coaching cricket at the age of 16. I am very excited to now have the opportunity to contribute towards Oxhey Wood School.

Lloyd Charman I came to teaching via law and journalism and have been teaching Religion and Philosophy for a number of years. I was drawn to teaching because I wished to do some good with my time, and have been heavily involved in the pastoral side of school life, coaching all manner of sports and being a Housemaster. When not in the classroom, I love participating in sport myself, having run a marathon in fancy dress and am always looking for a new challenge. A swimming event beckons, if I can withstand the early morning swims.
