

# Accessibility Statement

---

This accessibility statement applies to [Oxhey Wood Primary School](#)

This website is run by Oxhey Wood Primary School. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

## How accessible this website is

We know some parts of this website are not fully accessible:

- the text will not reflow in a single column when you change the size of the browser window
- you cannot modify the line height or spacing of text
- most older PDF documents are not fully accessible to screen reader software
- live video streams do not have captions
- some of our online forms are difficult to navigate using just a keyboard
- you cannot skip to the main content when using a screen reader
- there's a limit to how far you can magnify the map on our 'contact us' page

## Feedback and contact information

We're always looking to improve the accessibility of this website. If you find any problems not listed on this page or think we're not meeting accessibility requirements, contact the school office [admin@oxheywood.herts.sch.uk](mailto:admin@oxheywood.herts.sch.uk)

## Enforcement procedure

The Equality and Human Rights Commission (EHRC) is responsible for enforcing the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018 (the 'accessibility

regulations'). If you're not happy with how we respond to your complaint, [contact the Equality Advisory and Support Service \(EASS\)](#).

## Technical information about this website's accessibility

Oxhey Wood Primary School is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

### Compliance status

This website is partially compliant with the [Web Content Accessibility Guidelines version 2.1](#) AA standard, due to 'the non-compliances and exemptions' listed below.

The content listed below is non-accessible for the following reasons.

Some images do not have a text alternative, so people using a screen reader cannot access the information. This fails WCAG 2.1 success criterion 1.1.1 (non-text content).

We plan to add text alternatives for all images by December 2020. When we publish new content we'll make sure our use of images meets accessibility standards.

### Disproportionate burden

#### Navigation and accessing information

There's no way to skip the repeated content in the page header (for example, a 'skip to main content' option).

It's not always possible to change the device orientation from horizontal to vertical without making it more difficult to view the content.

It's not possible for users to change text size without some of the content overlapping.

#### Interactive tools and transactions

Some of our interactive forms are difficult to navigate using a keyboard. For example, because some form controls are missing a 'label' tag.

Our forms are built and hosted through third party software and 'skinned' to look like our website.

We've assessed the cost of fixing the issues with navigation and accessing information, and with interactive tools and transactions. We believe that doing so now would be a [disproportionate burden](#) within the meaning of the accessibility regulations. We will make another assessment when the supplier contract is up for renewal, likely to be in Summer 2021.

### Content that's not within the scope of the accessibility regulations

#### PDFs and other documents

Some of our PDFs and Word documents are essential to providing our services. For example, we have PDFs with information on how users can access our services, and forms published as Word documents.

The accessibility regulations [do not require us to fix PDFs or other documents published before 23 September 2018](#) if they're not essential to providing our services. For example, we do not plan to fix [example of non-essential document].

Any new PDFs or Word documents we publish will meet accessibility standards.

#### Live video

We do not plan to add captions to live video streams because live video is [exempt from meeting the accessibility regulations](#).
